Imagine a workplace with a prestigious LaSalle Street address, conveniently located within Chicago's Central Loop. A place where your 45,000-square-foot floorplate sits on top of every commuter's dream: a 1,200-space parking garage and a direct connection to the CTA Clark/Lake Station. Built for access, lifestyle and esteem, your new workplace has an abundance of newly constructed, high-end amenities. It's a place that accommodates your ever-evolving needs within a state-of-the-art conference center. It's a place that allows you to work out in a complimentary high-energy fitness center that boasts a multitude of exercise offerings, including free weights, cardio and a cycling studio. It's a place to lounge by a fireplace in one of the two tenant lounges. Welcome to your imagination.
